Wholesale TRADE LIST

Fall . . . 1939

Spring . . 1940

Couch Bros. Nursery Co.

McMINNVILLE, TENNESSEE

A Word to the Trade

- In presenting this list we wish to thank our many customers for the nice business given us in the past and hope to have the pleasure of continuing this service in the future, and from those who have never bought from us we will be glad to have a trial order at least.
- We are equipped to handle orders of any size, large or small, and all stock is well-grown and thrifty and we will see that you receive first-class nursery stock, carefully dug, graded and packed.
- Our stock this season is far above the average and our prices compare with our competitors. Send your orders in now and we will ship whenever you say.
- We are extending to you a cordial invitation to visit our nursery and see the stock we are offering, and whether you buy or not we will be glad to show you what we have and do everything possible to make your visit worthwhile.

Cordially yours,

Couch Bros. Nursery Company.

T. K. Couch,

Manager.

TERMS AND CONDITIONS: Five per cent discount and free boxing and packing for cash with order on all stock but balled and burlapped evergreens. A five per cent discount and free packing will be allowed on cash orders for B&B evergreens, but boxing will be at cost of material used. Accounts are due sixty days from date of shipment. Cash, security, or satisfactory reference is required from unknown parties.

COLLECTED STOCK: We handle each order for collected stock individually. All material is dug fresh from the forests—on wet days only—after the order is received. The plants are selected by experienced collectors; graded in the woods; the best plants brought to the nursery, and regraded there. Shipments of collected stock are en route to customer within a maximum of 48 hours from the time plants are taken from the forests. **We do not guarantee all shipments of collected stock to be satisfactory**, but we believe our method of handling this material insures better quality plants. All collected stock is fresh-dug; nothing kept in storage. Orders are booked from special quotations only. Send us your want list.

SHIPPING: Please give us definite shipping instructions. In the absence of special instructions we use our best judgment, without assuming responsibility. All shipments tagged with proper state inspection certificates.

We charge for boxing and baling at cost of material used. Where stock is loaded bulk in car or truck, no packing charge is made. Orders are accepted subject to prior sale of stock or crop injury or loss from any causes beyond our control. Twenty-five plants at 100 rates; 250 plants at 1,000 rates; 2,500 plants at 10,000 rates.

We are careful to keep our varieties true to name as labeled, and will replace, on proper proof, any stock that may prove otherwise, free of charge or refund the amount paid us, but it is mutually agreed that we shall not be liable for any amount greater than the purchase price. No claims will be considered unless made within ten days after receipt of shipment.

TRUCK SERVICE: We offer delivery of 10,000 pounds or more of stock in private trucks within a radius of 500 miles of McMinnville. Charges average about the same as railroad rates with elimination of packing charges and delivery at your door. Write for further information.

Four commercial truck lines operate through McMinnville making excellent connections to all parts of the country, and oftentimes giving quicker delivery at less than railroad rates.

LOCATION: McMinnville is located in Middle Tennessee, 70 miles east of Nashville, and 138 miles west of Knoxville; on state highways No. 1, 55, and 56; and U. S. highway No. 70 and the Broadway of America; and the N. C., & St. L. railroad.

COMMUNICATION: McMinnville is served by Western Union Telegraph Co., and the Southern Continental Telephone Co. Our telephone numbers are: **Day**, McMinnville 2304; **Night**, McMinnville 153-R.

REFERENCES: Any bank or business house in McMinnville, or any leading nurserymen in the United States. We are members of the American Association of Nurserymen, Southern Nurserymen's Association, and Tennessee State Nurserymen's Association.

SAMPLES: We will be glad to send samples of any items on request, at the rate for ten plants.

BLOCK OF 5-N-1 APPLE
(Picture Taken July 14)

A one-tree apple orchard! An orchard that can be planted and grown successfully in a plot of land only 20 feet square—in the space behind your customer's garage, in his backyard, or at his backdoor.

The new 5-N-1 trees being offered here to the trade this season for the first time in any quantity are this and more. They are really 5-trees-in-1; fine, big healthy trees that will produce five of the most popular varieties of fruit from early in the summer until late fall. Season-'round bearers, sometimes covered with one color fruit; later with another.

You will make no mistake in getting the jump on your competitors with these trees. They are the coming thing with the retail trade.

Varieties: Stayman Winesap, Paragon Winesap, Red Winesap, Double Red Delicious, Red Delicious, Yellow Delicious, Grimes Golden, Winter Banana, Double Red Rome Beauty, Yellow Transparent, Early Harvest, Mammoth Black Twig, Wealthy, Northwest Greening, Jonathan, Cortland, Red McIntosh, Duchess, Wolf River, Whitney Crab, Siberian Crab, York Imperial, Red June and Golden Sweet.

Pear , grafted on No. 1 seedlings....	\$2.50	\$17.00
Pear , grafted on No. 2 seedlings	2.00	15.00

Varieties: Keiffer, Garber, Bartlett, Sugar, Early Harvest, Koonce and Pineapple.

Our grafts are carefully prepared by expert workmen, and will be thoroughly calloused before shipment is made. We use Washington-grown seedlings exclusively, and scions are secured from our own orchards or other dependable sources.

We consider this an excellent manner for the grower of ornamental stock to get into the fruit tree game. All grafts are ready for planting when they reach you, and—upon request—we shall be glad to send instructions for proper planting with each shipment.

IMPORTANT: Your order must reach us by Feb. 15, 1940. If interested in 10,000 or more, please write for special prices.

PEACH SEED—1939 CROP

Our peach seed sales have been rather heavy this summer, but we still have a few hundred bushel of both natural seedling and budded seed in storage—ready for instant shipment. If you are interested in a good lot, write for special prices.

Both types of seed test almost 100 per cent sound, which should insure excellent results. The natural seedling pits will average from six to seven thousand seed per bushel, and the budded seed from four to five thousand per bushel.
